

Easily Analyze Your Capital Purchases

Put the power of capital equipment price benchmarking in the hands of your staff.

No more wondering if you are receiving a fair market price. No more waiting days for your analysis to be conducted by someone else and provided back to you.

PREMIERCONNECT®
CAPITAL ANALYTICS
Providing real-time insights
at the line item level.

Premier's new benchmarking application allows you to:

1

Upload price quotes electronically and easily.

2

Receive instant analysis of how your price compares to others in the market.

3

Identify the true cost of equipment with real-time line item pricing and detailed reports displaying all components of an equipment proposal.

4

Eliminate the need for paper files and spreadsheets with a cloud-based central repository of all price quotes and purchase order history.

5

Track all your capital spending against your annual budget for increased visibility across your system.

Premier's Capital and Construction Services is a comprehensive suite of solutions and services that helps members as they plan, build and maintain their facilities. From contracts that support facility operations and maintenance, to access to industry leading capital pricing, equipment planning, capital price benchmark analytics and advisors, Premier helps ensure that members are operating efficiently and effectively to reach the best price possible on services and products they contract for. To learn more about how the Capital and Construction Services team can support your needs, please email capital_construction@premierinc.com.
